EDUCATION

- 2011 Ph.D., University of Wisconsin-Madison, Department of Anthropology
2004 M.A. (with Distinction), University of Sussex, Department of Anthropology
2001 B.A., University of Virginia, Anthropology and English

ACADEMIC APPOINTMENTS

- 2018- Senior Fellow, Watson Institute for International and Public Affairs, Brown University
2014-2017 Lecturer in Social Anthropology, University of Edinburgh
2013-2014 Fernand Braudel Research Fellow, Fondation Maison des Sciences de l'Homme
2011-2014 Assistant Professor of Anthropology, Franklin & Marshall College

PUBLICATIONS

Books

2014. Nading, Alex M. *Mosquito Trails: Ecology, Health, and the Politics of Entanglement*. Oakland: University of California Press. [Reviewed in *American Anthropologist*; *Bulletin of the History of Medicine*; *BioSocieties*; *Medical Anthropology Quarterly*; *Practicing Anthropology*; *Science*; *Science as Culture*; Social Science Research Council IDRF Book Exchange; **Honorable Mention**, Society for Latin American and Caribbean Anthropology Book Prize]

Journal Articles

- Forthcoming. **Nading, Alex M.** and Josh Fisher. "Zopilotes, Alacranes, y Hormigas (Vultures, Scorpions, and Ants): Animal Metaphors as Organizational Politics in a Nicaraguan Garbage Crisis," *Antipode*
2017. Nading, Alex M. "Orientation and Crafted Bureaucracy: Finding Dignity in Nicaraguan Food Safety," *American Anthropologist* 119(3): 478-490.
2017. Neely, Abigail and **Alex M. Nading**. "Global Health from the Outside: The Promise of Place-Based Research," *Health and Place* 45: 55-63.
2017. Nading, Alex M. "Local Biologies, Leaky Things, and the Chemical Infrastructure of Global Health," *Medical Anthropology* 36(2): 141-156.
2016. Nading, Alex M. "Evidentiary Symbiosis: On Paraethnography in Human-Microbe Relations," *Science as Culture* 25(4): 560-581.
2015. Nading, Alex M. "Chimeric Globalism: Global Health in the Shadow of the Dengue Vaccine," *American Ethnologist* 42(2): 356-370.
2015. Nading, Alex M. "The Lively Ethics of Global Health GMOs: The Case of the Oxitec Mosquito," *BioSocieties* 10(1): 24-47.
2013. Nading, Alex M. "Humans, Animals, and Health: From Ecology to Entanglement," *Environment and Society: Advances in Research* 40(1): 60-78.
2013. Nading, Alex M. "Love Isn't There in Your Stomach: A Moral Economy of Medical Citizenship

among Nicaraguan Community Health Workers,” *Medical Anthropology Quarterly* 27 (1): 84-102.

2012. Nading, Alex M. “‘Dengue Mosquitoes are Single Mothers’: Biopolitics Meets Ecological Aesthetics in Nicaraguan Community Health Work,” *Cultural Anthropology* 27 (4): 572-596.
2011. Nading, Alex M. “Foundry Values: Artisanal Aluminum Recyclers, Economic Involution, and Skill in Periurban Managua” *Urban Anthropology* 40(3-4): 319-360.

Chapters in Edited Volumes

- Forthcoming. Nading, Alex M. “How to Build Rapport with Animals,” in *With Animals: Humans and Other Beings Forging Coexistence*, Edited by Natalie Porter and Ilana Gershon, Cornell University Press.
2017. Nading, Alex M. “Resistance or Parasitism? Waste Scavengers and Dengue Mosquito Control in Nicaragua,” in *Thinking Through Resistance: A Study of Public Oppositions to Contemporary Global Health Practice*, Edited by Nicola Bulled. Walnut Creek, CA: Left Coast Press.
2015. Nading, Alex M. “Ebola, Chimeras, and Unexpected Speculation.” *Limn*, Issue 5, “Ebola’s Ecologies,” Edited by Andrew Lakoff, <http://limn.it/ebola-chimeras-and-unexpected-speculation/>

Online Journals and Blogs

- Forthcoming. Nading, Alex M. “Is There a Place for Environmental Justice in Global Health? Notes from Nicaragua’s Sugarcane Zone,” *Edge Effects*, blog of the University of Wisconsin Center for Culture, History, and Environment
- Forthcoming. Nading, Alex M. “Back on the *Trails*: A Response to Cerón, Gratien, and Luthra,” SSRC IDRF Book Exchange Forum
2017. Nading, Alex M. “Can Microbes Give Gifts?” in a Book Forum on Ed Yong’s *I Contain Multitudes*, *Medical Anthropology Quarterly* “Critical Care” blog, <http://medanthroquarterly.org/2017/06/10/can-microbes-give-gifts/>
2017. Nading, Alex M. “Chemicals Sit in Places,” in *Sensorial Engagements with a Toxic World*, edited by Chisato Fukuda. *Medical Anthropology Quarterly* “Second Spear” blog, <http://medanthroquarterly.org/2017/03/29/chemicals-sit-in-places/>
2016. Nading, Alex M. “Heat,” *Lexicon for an Anthropocene Yet Unseen*, edited by Cymene Howe and Anand Pandian, *Cultural Anthropology* “Fieldsights” series, www.culanth.org/fieldsights/844-heat
2016. Nading, Alex M. “Zika, Hype, and Speculation,” in *Forum on the Zika Virus*, in *Somatosphere*, <http://somatosphere.net/forumpost/zika-hype-and-speculation>
2014. Nading, Alex M. “Bleach,” *Commonplaces*, edited by Tomas Matza and Harris Solomon, in *Somatosphere*, <http://somatosphere.net/2014/04/bleach.html>

Other Publications

2016. Nading, Alex M. “Dengue, Zika, and the Trouble with Classifications,” *Anthropology News*. <http://www.anthropology-news.org/index.php/2016/07/08/diseases-that-dont-fit/>, July 8.
2016. Fisher, Josh and **Alex M. Nading**. “A Political Ecology of Value: A Cohort-Based Ethnography of the Environmental Turn in Nicaraguan Urban Social Policy.” *Research Ideas and Outcomes* 2: e8720. doi: 10.3897/rio.2.e8720
2015. Nading, Alex M. “From Critique to Practice: A Comment on Goffey,” Invited Contribution to “Critical Medical Humanities,” special issue of *Medical Humanities* 41(1): 14-15.
2014. Nading, Alex M. “Local Biologies and the Chemical Infrastructures of Global Health.” Fondation Maison des Sciences de L’Homme Working Papers Series, No. 79.

2012. Nading, Alex M. “Aluminum,” “Street Scavenging and Trash Picking,” and “Central America,” in *The Encyclopedia of Consumption and Waste: The Social Science of Garbage*, edited by Carl A. Zimring and William Rathje, Thousand Oaks, CA: Sage Publications.

2011. Nading, Alex M. “Cities, Infectious Disease, and the Embodiment of Place” *Anthropology News* 52(3).

Book Reviews

Forthcoming. Nading, Alex M. Review of *Tell Me Why My Children Died: Rabies, Indigenous Knowledge, and Communicative Justice*, by Charles Briggs and Clara Mantini-Briggs. *Journal of Latin American Studies*.

2016. Nading, Alex M. Review of *A Right to Health: Medicine, Marginality, and Health Care Reform in Northeastern Brazil*, by Jessica Scott Jerome, *Journal of the Royal Anthropological Institute* 22: 438-439. (Invited Review)

2015. Nading, Alex M. Review of *Bioinsecurity and Vulnerability*, Edited by Nancy Chen and Lesley Sharp, *Medical Anthropology Quarterly*. (Invited Review)

GRANTS AND FELLOWSHIPS

National and International Grants and Fellowships

2017-2018 Wenner-Gren Foundation for Anthropological Research Post-PhD Grant, *Non-traditional Causes: Global Health, Justice, and Chronic Kidney Disease in Nicaragua*

2016-2019 National Science Foundation Research Grant, *A Political Ecology of Value: A Cohort-Based Ethnography of the Environmental Turn in Nicaraguan Urban Social Policy* (Co-PI, with Josh Fisher)

2013-2014 Fernand Braudel Fellowship, Fondation Maison des Sciences de l’Homme, Paris, France

2013-2014 Wenner-Gren Foundation for Anthropological Research, Hunt Postdoctoral Fellowship

2009 National Science Foundation Doctoral Dissertation Improvement Grant

2008-2009 Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship

2007-2008 Social Science Research Council International Dissertation Research Fellowship

2007 Fulbright Institute of International Education (IIE) Fellowship (*Declined*)

Grants from the University of Edinburgh

2017 Munro Lectureship Committee Research Grant

2015-16 Research Development Fund Award

2015 Munro Lectureship Committee Research Grant

Grants from Franklin and Marshall College

2014 Office of College Grants Professional Development Award

2013 Office of College Grants International Travel Award

2012 Faculty Research Grant

2011-2012 Research Initiation Grant

Grants from the University of Wisconsin-Madison

2011 Center for Culture, History, and Environment Travel Grant

2010 Dissertation Writing Grant, Center for World Affairs and Global Economy

2010 Vilas Conference Travel Grant, Graduate Student Collaborative

2009 Vilas Conference Travel Grant, Graduate Student Collaborative

2008 Vilas Dissertation Research Travel Grant, Graduate Student Collaborative

2006 Nave Travel Grant, Center for Latin American, Caribbean, Iberian Studies

2006 Scott-Kloeck Jenson Travel Award, Center for Global Studies

2006 Pilot Fieldwork Grant, Transdisciplinary Studies in Health and Society Working Group

Grants for Community Development

2017 Overseas Development Assistance Grant, University of Edinburgh/DFID, in collaboration with Asociación Montelimar Bendición de Dios

- 2011 Birmingham (AL) Rotary Club Development Grant, On Behalf of the Foundation for Sustainable Development, Ciudad Sandino, Nicaragua
- 2006 Project Development Grant, “An Education Campaign to Prevent Mercury Exposure among Women and Children in Ciudad Sandino, Nicaragua,” Author and Project Intern, Foundation for Sustainable Development, Ciudad Sandino, Nicaragua

INVITED TALKS

- 2018 “Ethnography in a Grievance: Enunciatory Communities, Law, and Environmental Justice in Nicaragua’s Chronic Kidney Disease Epidemic,” Oxford University, Unit for Biocultural Variation and Obesity, January 18
- 2017 “*Zopilotes, Hormigas, y Alacranes* (Vultures, Ants, and Scorpions): Animal Metaphors as Organizational Politics in a Nicaraguan Trash-Picking Community,” London School of Economics Urbanisation, Planning, and Development Seminar Series, March 7
- “Mosquitoes, Microbes, and the Practical Ethics of Toxic Chemicals in Global Health,” University of California, San Diego Medical School, Division of Global Public Health, January 24
- “Global Health, Global Work, Global Heat: Rethinking Cause and Effect in Nicaragua’s Sugarcane Fields,” Georgetown University Department of Anthropology, January 11
- Also delivered at University of California, San Diego Dept. of Anthropology, January 23
 - Also delivered at Department of Anthropology Colloquium, University of Stockholm, March 23
- 2016 “Mosquitoes, Microbes, and Toxic Chemicals in Global Health: The View from Medical Anthropology,” Vanderbilt University, Latin American Studies Center, September 23
- 2015 “Local Biologies, Leaky Things, and the Chemical Infrastructure of Global Health,” University of Oxford, June 2
- Also presented at Dartmouth College (January 19, 2016); University of California, Los Angeles (February 24, 2016)
- “Paraethnography and the Microbiome: Situating Global Health in Late Industrialism,” “Life After the Anthropocene” Forum, University of Oxford, June 2
- “Community Based Approaches to Vector Borne and Infectious Disease,” Fourth Annual Edinburgh Infectious Diseases Symposium, Royal College of Physicians, May 20
- Mosquito Trails* book forum. Maison des Sciences de l’Homme, Paris. [part of a seminar on Global Health, convened by Dr. Vincent Duclos], March 24
- 2014 “Chimeric Globalism: Global Health in the Shadow of the Dengue Vaccine,” University of Michigan Department of Anthropology, October 30
- “The Politics of Entanglement in Urban Nicaragua’s Dengue Epidemics,” Goethe University-Frankfurt, Germany, July 24-25
- “Emerging Infectious Disease and Local Knowledge: A View from Ecological Anthropology,” University of California-Davis, Department of Anthropology, May 8
- “Chimeric Globalism: Global Health Science in the Shadow of the Dengue Vaccine,” University of California-Davis, Science and Technology Studies Workshop, April 1

“Seasonal Emergency: Dengue Epidemics and Temporal Incongruities in Nicaragua,”
University of California-Davis, Department of Anthropology, March 31

- Also presented at Rice University (March 13), University of Iowa (February 17),
University of Virginia (February 7), University of Texas-San Antonio (January 13)

“Genetically Modified Mosquitoes and the Ethics of Global Health,” Collège de France,
Laboratoire d’Anthropologie Sociale, “Relations Hommes/Animaux: Questions
Contemporaines” (Annual Seminar Organized by Carole Ferret and Frédéric Keck), Paris,
France, January 9

- 2012 “Biopolitics, Multispecies Ethnography, and the Ecological Aesthetics of Public Health: The
Case of Women and Dengue Mosquitoes,” Cornell University Anthropology Colloquium,
Ithaca, NY, February 10
- 2011 “Social Medicine and Political Medicine: Epidemiology, Nicaraguan Politics, and
Community-Based Dengue Control,” Department of Anthropology, New Mexico State
University, Las Cruces, NM, January 18
- 2009 “El dengue en el paisaje: La ecología de la salud pública en Nicaragua,” Auditorio Municipal,
Alcaldía de Ciudad Sandino, Managua January 7

PROFESSIONAL PAPERS, CONFERENCES, AND PRESENTATIONS

Conferences Organized

- 2017 (with Hannah Brown) Workshop on Human-Animal Health, Durham University, March 28
- 2016 “Scoping Medical Anthropology: Problems from the Field,” University of Edinburgh,
Centre for Medical Anthropology, Edinburgh, UK Sept 5-6 (co-organizer)
- 2014 “Embodied Being, Environing World: Local Biologies and Local Ecologies in Global
Health,” Fondation Maison des Sciences de l’Homme, Paris, France June 5-6
- 2007, 2011 Annual American Indian Storytelling Event, University of Wisconsin-Madison American
Indian Studies Program

Conference Panels Organized

- 2015 (with Ann Kelly, Rebecca Marsland, and Alice Street) “Containers and the Material Life of
Global Health,” Medical Anthropology and Global Health Conference, European
Association of Social Anthropologists and RAI, University of Sussex, September 11
- 2014 (with Frédéric Keck) “Microbes and (In)Corporeal Infrastructures: Producing Visibility in
the Age of the Microbe,” American Anthropological Association Annual Meeting,
Washington, DC, December 5
- (with Sarah Besky) “Beyond the Material/Immaterial Divide: Aesthetics, Affects, and the
End(s) of Work,” Society for Cultural Anthropology Spring Meeting, Detroit, MI, May 10
- 2013 (with Abigail Neely) “The Trouble with Health,” American Anthropological Association
Annual Meeting, Chicago, IL, November 20-24
- (with Abigail Neely) “Toward a Political Ecology of Health,” Dimensions of Political
Ecology Conference, Lexington, KY, March 1
- 2012 (with Erika Robb Larkins) “The Right to the City in Third Century Latin America:
Ethnographic Perspectives,” Latin American Studies Association Congress, San Francisco,
CA, May 24

- 2011 “Geographic Legacies, Embodied Futures: Tracing Place in Medical Anthropology,” American Anthropological Association Annual Meeting, Montreal, November 16-20
- 2010 “Naturecultures and Multipli-cities: New Engagements of Anthropology and Urbanism,” Society for Cultural Anthropology Spring Meeting, Santa Fe, New Mexico, May 7-8
- (with Noah Theriault) “Working in the Environment: New Methodological Approaches to Culture, Landscape, and Society,” Central States Anthropological Society Annual Meeting, Madison, Wisconsin, April 7-11

Conference Presentations

- 2017 (as Discussant), “Bodies and Their Boundaries: Biopolitical Relations of ‘Queer Messmates in Mortal Play,’” American Anthropological Association Annual Meeting, Washington, DC December 3
- “The Heat of Work,” on the panel, “How Nature Works 3: Excesses and Overflows,” American Anthropological Association Annual Meeting, Washington, DC, December 1
- (invited speaker) “Non-Traditional Causes: Environmental Justice Meets Global Health in Nicaraguan Sugarcane Fields,” Center for Culture, History, and Environment (CHE) 10th Anniversary Symposium, University of Wisconsin-Madison, November 4
- “Bureaucratic Routine and the Craft of Microbial Management in Nicaragua,” University of Oxford Department of Geography, “Good Germs, Bad Germs” Symposium. May 3-4.
- “The Heat of Work: Dissipation, Solidarity, and Kidney Disease in Nicaragua,” *How Nature Works* Book Workshop, Brown University, April 20
- (invited speaker) “Access and Compliance: A Medical Anthropologist’s View of Antibiotics, Probiotics, and Antimicrobial Resistance,” Canadian Institute for Advanced Research “Humans and the Microbiome” Meeting, Montebello, QC April 5-6
- 2016 (as Discussant) “Ambient Matter: Sensorial Engagements with a Toxic World,” American Anthropological Association Annual Meeting, Minneapolis, MN, November 16-20
- “Ethnography in a Grievance: On Social Justice and Global Health ‘From Below,’” on the panel, “The Object(s) of Critique: Producing knowledge, matter, and critique in the anthropology of science and medicine,” American Anthropological Association Annual Meeting, Minneapolis, MN, November 16-20
- “Heat and/of/as Work,” “How Nature Works,” School for Advanced Research Advanced Seminar, Santa Fe, NM, September 23-30
- “On the Causes of Epidemics (and Epidemic Control),” “Techniques, Technologies, and Materialities of Epidemic Control,” Cambridge University, September 16-17
- “Heat,” at the conference “Scoping Medical Anthropology,” University of Edinburgh, September 5-6
- “Thermal Ecologies,” on the panel, “Disentangling Ecologies: Working around ‘The System,’” Society for Social Studies of Science Annual Meeting, Barcelona, August 31-September 3
- 2015 “A Constitutive Outside’ to Global Health? On the Diverse Economies of Nicaraguan Antimicrobial Practice,” On the panel, “Defamiliarizing Global Health: Theorizing an ‘Obscure Object’ in Anthropology,” American Anthropological Association Annual Meeting, Denver, CO, November 18-22

(Discussant, invited session) “The Zoonotic Condition: Pathogenesis of the Anthropocene,” Panel organized by Genese Sodikoff, American Anthropological Association Annual Meeting, Denver, CO November 18-22

“Understanding Global Health’s Chemical Infrastructures,” at the Workshop
“Understanding Human-Animal Disease: Emergence, Ecologies, Ethnography,” Durham University, September 17-18

“Crafted Bureaucracy and the Containment of Shit in Nicaragua,” on the Panel “Containers and the Material Life of Global Health,” Anthropology and Global Health, joint conference of the European Association of Social Anthropologists and RAI Medical Anthropology Committee, University of Sussex, September 9-11

“Most Importantly, We’re Making the World a Better Place:’ Agricultural Labor, Humanitarian Web Content, and Problem Definition,” at the workshop “Humanitarian Goods,” University of Edinburgh June 5-6

(Chair/Moderator) “Anthropology needs to discard the distinction between life and non-life,” Plenary Debate, Association of Social Anthropologists of the UK and the Commonwealth, Exeter, UK, April 13-16

“Zeroes and Millions, Paleos and Primitives: Evidencing Bodily Biodiversity in the Era of the Microbiome,” for the panel, “Medical Evidence Beyond Epistemology,” Association of Social Anthropologists of the UK and the Commonwealth, Exeter, UK, April 13-16

(Invited Discussant) “Anthropology of Zoonoses,” Collège de France, Paris, February 26-27

2014 “Metalabor, Metabolism, and Metacommunication: Nicaraguan Hygiene Workers and the Making of Infrastructure,” presented on panel “Microbes and (In)Corporeal Infrastructures: Producing Visibility in the Age of the Microbe,” American Anthropological Association Annual Meeting, Washington, DC, December 5

“Chimeras, Monsters, and Friends: GMOs as Metaphors for Contemporary Global Health,” presented on the Panel “Social Animals and Us: Anthropomorphism and Animal Utopias,” Association of Social Anthropologists Decennial Meeting, Edinburgh, June 19-22

“From Globalizing to Worlding Health? Thoughts on Becoming with Chemicals That Kill,” presented at the workshop “Embodied Being, Environing World: Local Biologies and Local Ecologies in Global Health,” Maison des Sciences de l’Homme, Paris, France June 5-6

“Doing and Undoing Nicaraguan Hygiene,” presented at the workshop “Doing Undoing: Practices of Destruction, Disruption, and Decomposition,” University of Amsterdam, June 2

“Patchwork Pasteurization: The Aesthetic and Bureaucratic Labor of Nicaraguan Health Inspectors” Society for Cultural Anthropology Spring Meeting, Detroit, MI, May 9-10

“GM Mosquitoes and the Limits of Ethics,” Oxford University BioProperty Research Group Workshop on Insects and Transgenics, Oxford, UK, December 11

2013 (with Abigail Neely) “Getting Back to the Wrong Health: Mapping an Agenda for Critical Studies of Global Health,” presented on the panel “The Trouble with Health,” American Anthropological Association Annual Meeting, Chicago, IL, November 20-24

(as Discussant) “Immune from Criticism: A Case Study in the Ecology of Practices,” Critical Medical Humanities Symposium, Durham University, Durham, UK, November 4

- “The Body as ‘Host:’ A View from Political Ecology,” presented on the panel “Toward a Political Ecology of Health,” Dimensions of Political Ecology Conference, Lexington, KY, March 1
- “GMOs and Global Health: Toward a Lively Ethics,” invited paper for the symposium “Beyond Biosocialities in Medical Anthropology,” University of Amsterdam, January 17-19
- 2012 “Hosting Bodies, Hospitable Nations? Negotiating Nicaraguan Identity in Global Vaccine Development,” presented on panel “Of National Bodies, Borders, and Medical Nations: Rethinking the Body Politic,” American Anthropological Association Meeting, San Francisco, CA, November 15
- “Casas de Seguridad: Sandinismo, House to House Healthcare, and the Right to the Nicaraguan City,” presented on the panel, “The Right to the City in Third Century Latin America: Ethnographic Perspectives,” Latin American Studies Association Congress, San Francisco, CA, May 24
- “Dengue Mosquitoes are Single Mothers: Biopolitics and Ecological Aesthetics in Nicaraguan Community Health Work,” presented on the panel “Vectors, Disease, and the Human-Built World,” Association of American Geographers Annual Meeting, New York, NY, February 24
- 2011 “Emergence, Neglect, and the Localization of Dengue Fever in Urban Nicaragua,” presented on the panel “Geographic Legacies, Embodied Futures: Tracing Place in Medical Anthropology,” American Anthropological Association Annual Meeting, Montreal, QC, November 16
- “Chimeric Globalism: Embodying Public Health Science in the Shadow of the Dengue Vaccine,” presented on panel “Mapping Global Health,” Society for Social Studies of Science Annual Meeting, Cleveland, OH, November 5
- “The Spatial Politics of Infectious Disease Emergence in Not-So-Global Cities,” presented on panel “Emerging Directions in Health-Environment Research,” Association of American Geographers Annual Meeting, Seattle, WA, April 13
- “Disappearing Mosquitoes, Emerging Viruses: The Political Ecology of How Dengue Prevention Became a Genetic Science,” presented on the panel “Genes” at the Conference “Dimensions of Political Ecology,” University of Kentucky, Lexington, KY, February 19
- 2010 “Walking a Line, Visiting Houses in Motion: Infrastructure and the Anthropology of Urbanism,” presented on the panel “Power, Spaces of Value, and the Value of Spaces,” American Anthropological Association Annual Meeting, New Orleans, LA, November 17
- “Dengue Mosquitoes are Single Mothers: Culture, Nature, and the Aesthetics of Urban Health,” presented on the panel “Naturecultures and Multipli-cities: New Engagements of Anthropology and Urbanism,” Society for Cultural Anthropology Spring Meeting, Santa Fe, NM, May 8
- “Walking a Line, Visiting Houses in Motion: Kinetic Anthropology in an Urban Landscape,” presented on the panel “Working in the Environment: New Methodological Approaches to Culture, Landscape, and Society,” Central States Anthropological Society Meeting, Madison, WI, April 10
- 2009 “El Dengue en Ciudad Sandino: Resultados de una encuesta de conocimiento, actitud, y prácticas (CAPs),” Hospital Nilda Patricia Velasco de Zedillo, Ciudad Sandino, Nicaragua, November 5

“Global Garbage, Local Lives: Waste Scavenging and Public Space in a Post-Consumer City,” Presented on the Panel “Against the Grain of the Global Good” at the Junior Scholars Workshop “Global Goods: Changing Perspectives on Trade, Human Rights and the Environment,” Rutgers University, New Brunswick, NJ, April 23

- 2007 “Artisanal Recycling in the Garbage Economy of Urban Nicaragua: An Ethnographic and Experimental Perspective,” Center for Latin American, Caribbean, and Iberian Studies Brown Bag Series, University of Wisconsin-Madison, October 1
- “Analyzing Interventions: Action, Advocacy, and Public Medical Anthropology in Urban Nicaragua,” presented on panel “Service Learning and Action Anthropology: Going Public”, Central States Anthropological Society Annual Meeting, Minneapolis, MN, April 13
- “Dengue in the Landscape: Waste Management and Disease Ecologies in Urban Nicaragua,” at the workshop “Natural and Unnatural Geographies,” Yellowstone, MT, January 19

ON-CAMPUS TALKS

- 2017 “Critically Evaluating Evidence in Global Health,” Global Health Interest Group, Warren Alpert Medical School, Brown University, October 17
- “What Does Environmental Activism Look Like?” “Anthropology and Global Social Problems” course guest lecture, Brown University, September 27
- “Mosquito Control to Combat Dengue,” Edinburgh Infectious Diseases Symposium: Showcasing Social Sciences at Edinburgh, April 24
- “Sustainable Health and Mosquito Control in Nicaragua,” Sustainability in Latin America conference, University of Edinburgh Latin America Society and Sustainable Development Association, February 10
- 2016 “Diverse Economies and Incorporeal Signals: On Hygiene and What Lies Outside Global Health,” Edinburgh Centre for Medical Anthropology, Inaugural Seminar, University of Edinburgh, January 15
- 2014 “Mosquito Trails: Studying Infectious Disease and Urban Life in Nicaragua,” International Studies Global Lunch Series, Franklin & Marshall College, December 2
- 2016 “Diverse Economies and Incorporeal Signals: On Hygiene and What Lies Outside Global Health,” Edinburgh Centre for Medical Anthropology, Inaugural Seminar, University of Edinburgh, January 15

TEACHING

Courses at Brown University

“Sophomore Seminar in Development Studies: Spaces, Environments, and Challenges,” Spring 2018

Courses at the University of Edinburgh

“Empires,” Fall 2015, Fall 2016

“Anthropology 1b: Anthropology Matters”; Spring 2017

“Ethnography”; Spring 2015

“Anthropology of Global Health”; Spring 2015, Spring 2016; Spring 2017

“Anthropology of Latin America”; Spring 2016, Spring 2017

Graduate Advisees (at the University of Edinburgh, except where indicated)

Sandalia Genus (PhD, 2018); Alberto Baltazar Cruz (PhD, in progress); Rosie Sims, Graduate Institute of International and Development Studies, Geneva (PhD, in progress); Bernardo Peniche (MSc, 2017-with

distinction); Alexandria Hahn (MSc, 2017); Anjulika Sahgal (MSc, 2017); Frida Romero (MSc, 2017—with distinction); Johanna Hemminger (MSc, 2017—with distinction); Gillian Collom (MSc—with distinction 2016); Guj Panejar (MSc, 2016); Beilin Fu (MSc, 2016); Rebeca Topping (MSc, 2016); Zara Trafford (MSc, 2015—with distinction); Erin White (MSc, 2015—with distinction); Nikki DeLandmeter (MSc, 2015)

External PhD Examination Committees

Alejandro Valencia-Tobón, University of Manchester, PhD, Social Anthropology (2016); Mariana Rios, University of Amsterdam (2018)

Courses at Franklin and Marshall College

“Anthropological Methods”; Fall 2014
“Social Anthropology”; Fall 2011, 2012, 2014; Spring 2012, 2013
“Anthropology of Central America”; Fall 2012, Fall 2013
“Medical Anthropology”; Spring 2012; Spring 2013
“Anthropology and the Environment”; Fall 2011; Spring 2013

Courses at the University of Wisconsin-Madison

“Introduction to Cultural Anthropology”; Teaching Assistant Fall 2004; Spring 2005; Fall 2005; Spring 2006

Invited Class Lectures and Discussions (by Skype and in person)

“Witchcraft and Medicine,” Book Discussion, Prof. Abby Neely, Dartmouth College (2017); “Medicine and Development,” Book Discussion, Prof. Ramah McKay, University of Pennsylvania (2016); “Ethnographic Methods,” Book Discussion, Prof. Ashley Carse, Vanderbilt University (2016); “Environmental Anthropology,” Book Discussion, Prof. Josh Fisher, High Point University (2016); “Environmental Health,” Book discussion, Prof. Andrew Case, Washington College (2016); “Contemporary Central America,” Book Discussion, Prof. Ellen Moodie, University of Illinois (2015); “Global Health Geography,” Undergraduate lecture and book discussion, Prof. Abigail Neely, Dartmouth College (2015); “Global Development,” Graduate Seminar and Book Discussion, Prof. Noah Theriault, University of Oklahoma (2014); “Food, Politics, and Environment,” University of Michigan, Prof. Sarah Besky (2014)

TEACHING AWARDS

2017 “Anthropology of Global Health” Nominated for Best Course, Edinburgh University Student Association
2016 “Empires” Nominated for Best Course, Edinburgh University Student Association
2015 Edinburgh Teaching Awards (Student Nominated), for “Empires”
2011 Franklin & Marshall College Weis College House Professor Appreciation for “Excellent and Engaging Teaching” (Student Nominated)

ACADEMIC SERVICE

Service to the Profession

2017- Book Reviews Editor, *Medical Anthropology Quarterly*
2016 Zika Virus Temporary Working Group, Society for Medical Anthropology
2015- Series Editor, *Interspecies Encounters*, with R. Marsland and C. Wanner, Berghahn Books
2015 Judge, Polgar Prize for Best article in the 2014 volume of *Medical Anthropology Quarterly*, Society for Medical Anthropology
2014, 2012 Anthropology and Environment Society Dissertation Workshop Faculty Mentor, American Anthropological Association Meetings

Ad hoc reviewer: Freiburg Institute for Advanced Studies; NSF Anthropology Program; University of California Press; University of Minnesota Press; Palgrave Macmillan; *African Review of Economics and Finance*; *American Anthropologist*; *American Ethnologist*; *Anthropological Quarterly*; *BioSocieties*; *Cahiers des Amériques latines*; *Critical Public Health*; *Cultural Anthropology*; *Environment and Society: Advances in Research*; *Ethnography*; *Global Public Health*; *HAU: Journal of Ethnographic Theory*; *Human Organization*; *International Journal of Urban and Regional Research*; *Journal of Latin American Geography*; *Journal of Material Culture*; *Journal of the Royal Anthropological Institute*;

Medical Anthropology Quarterly; Public Culture; Science as Culture; Social Anthropology/ Anthropologie Sociale; Theory, Culture, and Society

Service to the University of Edinburgh

2017 Chair, Munro Lectureship Fund Committee
2017 Program Director, MSc in Medical Anthropology
2016-2017 Deputy Director, Edinburgh Centre for Medical Anthropology
2015-2016 Steering Committee, Edinburgh Centre for Medical Anthropology
2016-2017 Member, Munro Lectureship Fund Committee
2016-2017 Member, Tweedie Exploration Fund Committee
2015-2017 Anthropology Department Website Coordinator

Service to Franklin and Marshall College

2014 Committee on Academic Status
2012-2013 Search Committee Member, Department of Anthropology
2012-2013 Environmental Studies Committee
2012-2013 Post-Graduate Fellowships Committee
2012 Pre-Healing Arts Committee
2011-2012 Search Committee Member, Department of Anthropology

Service to the University of Wisconsin-Madison

2010-2011 Steering Committee, Center for Culture, History, and Environment

CURRENT MEMBERSHIPS IN PROFESSIONAL ASSOCIATIONS

American Anthropological Association; Society for Medical Anthropology; Anthropology and Environment Society
