OTHER PROFESSIONAL ACTIVITIES

Visiting Fellow, Pell Center for International Relations and Public Policy, Salve Regina University, 2012-present.

Field Researcher, ACA Implementation Research Network, Rockefeller Institute of Government, University at Albany. Together with my co-investigators, Todd Olszewski and Danielle Waldron, I authored a baseline report on ACA implementation in New Hampshire published online by the Rockefeller Institute in January 2015. Download the report here: http://www.rockinst.org/ACA/states/New_Hampshire/2015-01-New_Hampshire_Baseline.pdf.

Program Director, Health Policy and Management Program, Providence College 2010-present.

Interim Director, Center for Teaching Excellence, Providence College (January-June 2010)

Manuscript Reviewer for *Choice*, *Health Affairs*, *Journal of Health Politics Policy and Law*, *Journal of Health Care for the Poor and Underserved*, *Public Administration Review*, *Social Science Quarterly*, Georgetown University Press, Vanderbilt University Press, the University of North Carolina Press, and the University of Michigan Press.

External Evaluator – Political Science Department program review, Rhode Island College (2013).

External Evaluator—Promotion/Tenure Review, Rhode Island College.

PhD Thesis committee member, Northeastern University (Kaitlyn Kenney), 2008.

Committee on Academic Rank and Tenure, Providence College.

Assistant Managing Editor, *New England Journal of Public Policy* (1996-1998)

ACADEMIC POSITIONS

- 2003-present **Professor**, Providence College. Teaching introductory and advanced courses on the American health care system, policy analysis, health care reform, storytelling in the public square, and health care in popular culture.
- 2003; 2015-16 **Visiting Professor**, Brown University. Taught Introduction to Public Policy during the Spring 2003 (PS 10), Fall 2015, & Spring 2016 terms (PLCY 0100).
- 1999-2003 **Associate Professor**, Providence College. Teaching introductory and advanced courses on the American health care system, computing information systems, planning and policy analysis, and health care reform.
- 2001 **Faculty Member**, Abbott Laboratories Executive Development Program. Participated as a member of an interdisciplinary team for a leadership training institute held in Milwaukee, WI for senior managers at Abbott Laboratories. Introduced participants to comparative health policy issues and provided an overview of US regulatory policies towards the health care industry.
- 1997-1999 **Associate Professor**, University of Massachusetts, Dartmouth. Taught introductory and advanced undergraduate courses in American politics, health care policy, public health, urban politics, public opinion, & research methods.
- 1993-1997 **Assistant Professor**, University of Massachusetts, Dartmouth. Taught introductory and advanced undergraduate courses in American politics, health care policy, public health, urban politics, public opinion, and quantitative methods.
- 1991-1992 **Instructor**, St. Anselm College, Manchester, NH. Taught advanced undergraduate courses in research methods, American politics and political institutions, state and local politics, and public administration

AWARDS AND HONORS

- 2008 Carnegie/CASE US Professors of the Year Program. **Professor of the Year—RI**
- 2008 **Joseph R. Accinno Teaching Excellence Award**, Providence College.
- 1998 University of Massachusetts. **President's Citation for Excellence in Teaching**, one of 15 citations awarded to faculty throughout the UMass system by President William

Bulger in 1998. Only three faculty from the Dartmouth campus were honored with this award.

1990 Brown University. **President's Award for Teaching Excellence**, one of six presidential teaching awards based on faculty recommendations and student teaching evaluations presented at the University's 1990 commencement.

PROFESSIONAL EXPERIENCE

1993 **Program Manager**, Rhode Island Department of Health. Duties included coordinating all data collection and reporting activities for a federal trauma systems planning grant awarded to the Department by the US Department of Health and Human Services, analyzing health data using SAS, preparing quarterly progress reports for the Health Resources and Services Administration, and staffing the state's Trauma System Advisory Committee. Prepared the Department's FY1994 successful continuing application for the trauma systems development program and authored its successful application to the Emergency Medical Services for Children (EMSC) grant program from the Health Resources and Services Administration (Catalog of Federal Domestic Assistance #93-953).
