

U.S. Spending for War in Afghanistan* FY2001 – 2019 (in billions of USD) Total = Approx. \$2 Trillion

Afghanistan War Spending Over Time

*Afghanistan war theater includes operations in Pakistan

These figures are estimates by Neta C. Crawford in September 2019 for the Costs of War project at Brown University's Watson Institute for International Affairs. They are based on U.S. appropriations for war and estimates of associated spending.
