

- **LaZell Hammons** joined [Southcentral Foundation](#) (SCF) in 1997 as a RN Case Manager. She was a part of SCF's initial clinical team as the organization transformed into a relationship-based, value-based system. She plays a key supporting role in SCF's Learning Institute to share the innovative ideas from the Nuka System of Care worldwide. As a facilitator, she leads a team of professionals to execute presentations, workshops and consultation in a format of the customer's choosing. She holds a bachelor's degree in nursing from the University of Alaska in Anchorage, Alaska and has had multiple roles from rural-based nursing, population-based case management and administrative roles.
